## MESSAGE FROM OUR FOUNDER

Welcome to THE BLOC!

I'm Philippe Bruce, the founder of this organization, and I want to share a bit about the journey that led to the creation of THE BLOC. When I first envisioned THE BLOC, I was driven by a simple yet powerful belief: that even the most minor support can spark significant change in our communities. With this in mind, we set out to create a space where youth and seniors in Omaha and Lincoln could connect, grow, and thrive together.

In the early days of THE BLOC, it was clear that our mission resonated deeply with the community. We brought together a dedicated team of passionate individuals who shared my vision and worked tirelessly to turn it into reality. Together, we created programs and initiatives that have touched countless lives, building a legacy of connection and care that continues to flourish today.

Though I have since stepped back from my role as CEO, my passion for THE BLOC's mission remains as strong as ever. I am incredibly proud of our work and equally confident in the current leadership team. They are talented and committed individuals carrying forward the mission with fresh ideas and a deep dedication to serving our community.

As THE BLOC continues to grow and evolve, I remain committed to supporting this organization and its mission in any way I can. My role may have changed, but my connection to THE BLOC and the community it serves is enduring.

Please join us in our mission by volunteering, donating, or simply spreading the word about our work. Together, we can continue to make a meaningful impact in the lives of those we serve.

Thank you for being a part of this journey.

Warm regards,

Philippe Bruce
